INTRODUCTION

We are delighted that you have joined iMarketsLive and we look forward to helping you secure your personal financial future. Our goal is to provide you with products that are at the cutting edge in the Forex and Futures industry.

As you begin to understand how incredibly powerful and in demand the iMarketsLive products really are, the more you will want to share the products with others. As an Independent Business Owner (IBO) sharing our products is the key to your success. Your financial income in iMarketsLive is directly related to your efforts in sharing the products, and building a sales organization.

Our compensation plan pays out through six (6) powerful ways and is one of the most lucrative opportunities in the industry!

At iMarketsLive, we believe in generously rewarding our Independent Business Owners (IBO) and we are 100% committed to your success!

HOW TO GET STARTED

There are two options to join iMarketsLive. You can join either as an IBO or Customer.

1. If you join as an IBO, the cost is \$15 with a monthly renewal of \$15 to keep your business active. Being an IBO lets you share the IML products and services with others, while taking part in the Compensation Plan. There is no requirement to purchase a customer pack as an IBO, though we highly recommend it. You must be an IBO to take part in this Compensation Plan.
2. If you decide to join as a Customer, there are four (4) packages to choose from:

	Start Up Cost	Monthly	Group Volume
Platinum Package Elite	\$325.00	\$247.95	195
Platinum Package	\$225.00	\$164.95	145
HFFX Pack	\$189.95	\$179.95	145
Digital Currency Pack	\$189.95	\$179.95	145

CUSTOMER REFER 2 & IT'S FREE!

When you become a Customer at iMarketsLive, we believe in giving you the ability to get our powerful products for free! Once you have purchased your Package, all you have to do is REFER TWO other Retail Customers to any combination of Packages, yours is FREE*

*In order to qualify, you must personally refer any retail customers onto any of the combination of packages. All referrals must be prior to your billing date, not on your billing day. You must be an active IML customer when you refer two (2) customers. This offer is only for customers, not for IBOs. You will have access to the 2 and Free Product ID, this includes everything in the Platinum Package.

PLATINUM BONUS - PAID WEEKLY

Every time you enroll a Package, we give you a Platinum Bonus up to 3 levels! For example, if you just joined the business and you enroll (10) Platinum Packages, you would earn a 350 commission. If you were a Platinum 600 and someone on your Level 2 enrolled (10) Platinum Packages, you would earn a \$100 commission.

Not only is this a powerful way to generate weekly income by sharing the iMarketsLive products, but this is the forefront of your business! Just by enrolling Packages, we pay you each and every week!

PLATINUM PACKAGE	PLATINUM DIRECTOR	PLATINUM 600	PLATINUM 1000

WEEKLY RESIDUAL INCOME

We are the FIRST company in the industry to introduce a POWERFUL program that pays you a weekly residual income! By achieving the various ranks in iMarketsLive, we guarantee you a residual check that hits your bank account each and every week! This pays out anywhere from \$37.50 per week to \$125,000 per week depending on your rank.

Note: Please see the Rank Requirements page to learn how you can achieve each rank.

	PLATINUM 150	PLATINUM 600	PLATINUM 1000	PLATINUM 2000	PLATINUM 5000

*Monthly - Even though the amounts are shown in MONTHLY values, you are paid weekly. For example, a Platinum 600 would earn \$150 per week. A Chairman 100 would earn \$25,000 per week.

As long as you maintain your rank each week, you get paid for whatever rank you have maintained. Must maintain rank each week to receive the bonus payout.

Chairman 250's earn \$250,000 per month & Chairman 500's earn \$500,000 per month. See the rank requirements page for more details.

CHAIRMAN INFINITY BONUS

This is by far one of the most powerful ways to earn money with the iMarketsLive compensation plan. Our Chairman Infinity bonus is a lucrative bonus on top of your Weekly Residual Income. Once you achieve the Chairman Ranks in iMarketsLive, you can earn up to 2% of the Total Group Volume in your organization!

GV Payout - Once you qualify for the Chairman Infinity bonus, we pay you a percentage of your Group Volume in each uni-level leg down to the next equal ranked IBO in your uni-level! For example, if you were a Chairman 10 and had 75,000GV coming from 3 separate uni-level legs, you would earn 1% off of each leg up to the max payout per leg.

Max Per Leg - This refers to the maximum amount of money you can make in the Chairman Infinity Bonus PER leg. In order to generate additional income, you would need to open new uni-level legs through personally sponsoring. There is no limit to the number of people you can personally enroll.

RANK ACHIEVEMENT BONUS

Our mission at iMarketsLive is to reward those who are committed and dedicated to this business. We believe in recognizing our leaders and we have put together one of the most lucrative rank achievement bonus programs in the industry!

By achieving a rank in iMarketsLive and maintaining it for (3) consecutive months, we pay you a one-time bonus each time you rank advance in the business.

	PLATINUM 2000	PLATINUM 5000	CHAIRMAN 10	CHAIRMAN 25

***Payout Period** - This refers to the length of time that the bonus is paid out. Personal Retail Sales Volume (PRSV) - PRSV is generated by the sale of an IBO to a Retail Customer who is not participating in the IML Compensation Plan. Each Personally enrolled Retail Customer generates PRSV. Please refer to the chart in the section "How to Get Started" for more information.

Personal Sales Volume (PSV) - PSV is the sum of all personally sold Packages (**IBO kits not included**) to Retail Customers and IBO's. This means your PSV includes your PRSV.

Leg Rule - When achieving rank, no more than 40% of the Group Volume from any single uni-level leg may count towards your rank.

Customer Rule - When achieving rank, a minimum of 55% of the group volume must be from retail customers in each leg. This means that each leg in your uni-level must contain 55% Active Retail Customers if you want to count 100% of the volume for that leg.

Example, if a leg has 435 Customer Volume, then 435 must be equal to 55% in that leg. Therefore the maximum volume you are allowed to have in that leg is 791 because $791 \times 55\% = 435$. This number can change the more customer volume you have per leg. Please refer to the back office for more detail video explanations.

Chairman 25 Ranks and Above:

Chairman 25 - You must have (2) Platinum 2000's coming from two separate uni-level legs.

Chairman 50 - You must have (1) Platinum 2000 and (1) Platinum 5000 coming from two separate uni-level legs.

Chairman 100 - You must have (2) Chairman 10's coming from two separate uni-level legs.

Chairman 250 - Refer 580 PRSV and have 2,175,000 GV. You must have (2) Chairman 25 coming from two separate uni-level legs. A Chairman 250 earns \$250,000 per month in the Weekly Residual Income.

Chairman 500 - Refer 580 PRSV and have 4,350,000 GV. You must have (2) Chairman 50 coming from two separate uni-level legs. A Chairman 500 earns \$500,000 per month in the Weekly Residual Income.

Please note that all orders must be in by Monday 11:59 PM EST to qualify towards a rank and volume for that weekly period.

Independent Business Owner (IBO) - By agreeing to the IBO terms and conditions and purchasing the \$15.00 monthly IBO kit, a person or entity may become an IBO of IML. An IBO has exclusive rights to sell Retail Customers a Platinum Package or another IBO and participate in the Compensation Plan as long as they remain active by purchasing the \$15.00 IBO Kit each month. There is no requirement for an IBO at anytime to purchase the Retail Services of IML to earn in the Compensation Plan. An IBO must be active by the time commissions are paid for a given period, in order to receive their commissions. Should an IBO not be active on their IBO Kit and agreement, he or she will not receive commissions for the period paid out regardless of volume or rank.

Personal Retail Sales Volume (PRSV) - PRSV is generated by the sale of a Package to a Retail Customer who is not participating in the IML Compensation Plan.

Group volume (GV) - Group Volume is the total personal retail sales volume (PRSV) and personal sales volume (PSV) generated by you as an IBO, or the IBO's in your uni-level structure. GV on every rank requires a minimum of 55% Retail Sales Volume per leg, either Personal Retail Sales Volume (PRSV) or the Personal Retail Sales Volume (PRSV) of the IBO's in your organization. In addition, only 40% of the required GV can be generated from one leg in your uni-level structure.
